

## Description

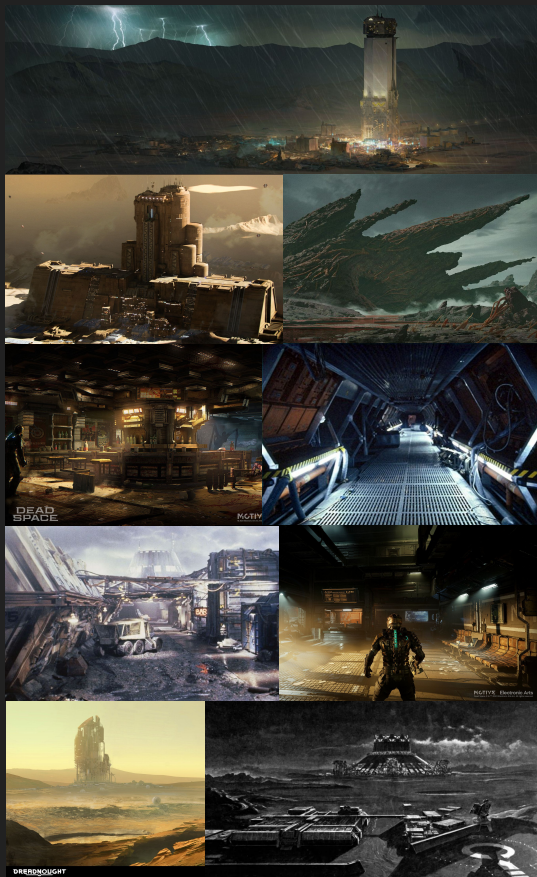

Colony Quarters B (CQB) is the favored zone of the colonists as it is the hub for recreational activities. Since the outbreak, it has become one of the few safe havens left for survivors as they desperately guard its access points.

## Landmarks & Focal Points

- CQB Alehouse
  - *Impromptu HQ*
- Mess Hall and Rec Center
- Tram Rail Station
  - *Improvised security zone*
- External Communications Tower
  - *Offline and infested*
- Vehicle Bay & Landing Pad
- Education Center
  - *Infested quarantine zone*
- Colonist Apartments
  - *Largely abandoned*

## NPCs

Mostly scientists and engineers, some children and fewer security officers. A personable bar-keep desperately trying to keep spirits lifted.
